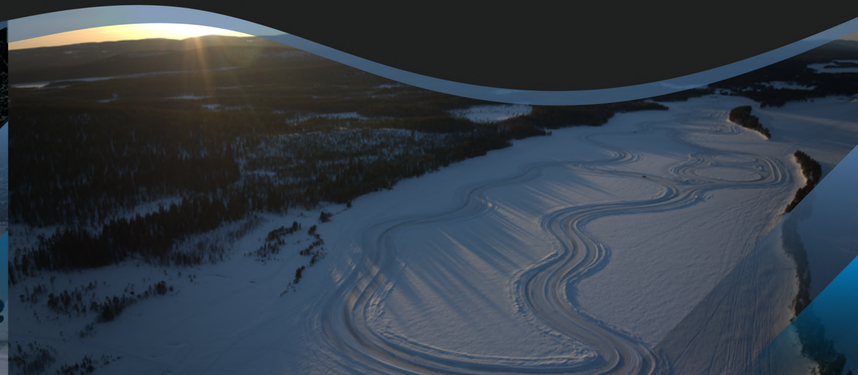
# SPORTCARS

We offer 23 sports cars, all specially prepared, tuned, and ready to tackle snow and ice. It's a big technical challenge, but one that makes all the difference.
This way, you can truly enjoy the variety of car designs and driving styles—no matter your taste or driving style!

PORSCHE 911 GT3 (2), 718 GT4RS, Cayman S & GT4, 911 Classic 3.2
ALPINE A110 (2), FORD Mustang V8 and Escort RS Mk1, Nissan 370Z (2), M3 3.2, Toyota GT86 (2) and GR86, 308 GTI
GR Yaris (2), SUBARU Impreza GT et WRX, MITSUBISHI Evo 9 and Evo 6 Gr.A

# TRACKS

Our tracks, just minutes from Arvidsjaur, offer a secluded and enchanting setting. We've relocated closer to the airports to make your journey more convenient. Sheltered from prevailing winds by natural terrain, the lake provides ideal conditions while delivering stunning surroundings.


The driving center features over 8 km of tracks, including a large training area with interconnected circles, and four circuits of increasing difficulty and speed. With more than 15 configurations available and a 7 km super special, the driving experience promises a thrilling blend of challenges and adrenaline.
