# 4MOVE ON ICE

---

Experience the thrill of our 13th winter season in Lapland

Breathtaking tracks. Cozy chalets. Powerful sports cars. Trusted partners. Tailored travel packages. This is more than a tradition — it's a lifestyle.

Our journey toward winter begins in spring, as we meticulously craft every detail to deliver an unforgettable driving experience.

Our mission: to create a space of pure freedom and connection, dedicated to the art of sport driving.

Discover our exclusive driving programs and explore our exceptional fleet of sports and rally cars.

Ready to create your perfect winter escape? Visit our website or get in touch to start planning your adventure.

We can't wait to welcome you between January and March 2027.

Jean-Christophe David

# SPORTCARS

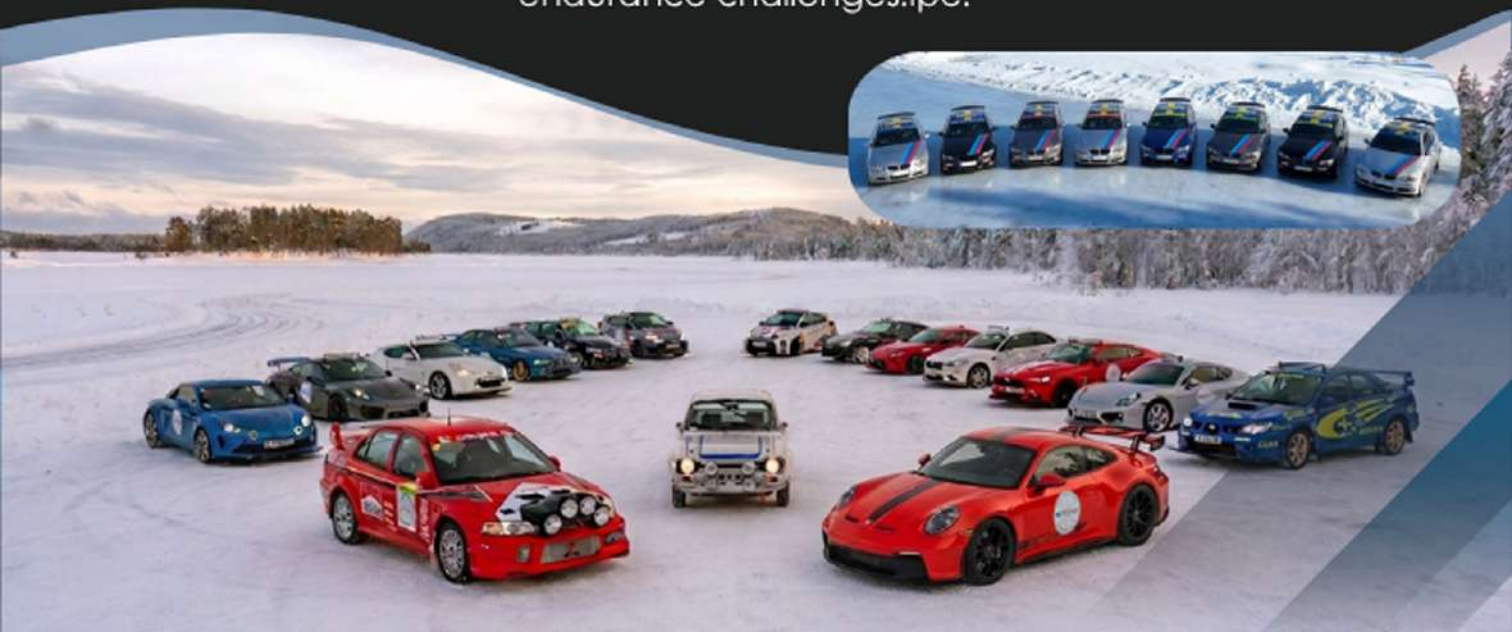

---

We offer 30 sports cars, all specially prepared, tuned, and ready to tackle snow and ice. It's a big technical challenge, but one that makes all the difference. This way, you can truly enjoy the variety of car designs - no matter your taste or driving style!

GR Yaris (2), SUBARU Impreza GT et WRX, MITSUBISHI Evo 9 and Evo 6 Gr.A

NEW RACING CONCEPT : a fleet of 8 BMW 325Ci "Lightweight" for individual or team endurance challenges.ipe.

# TRACKS

---

Our tracks, just minutes from Arvidsjaur, offer a secluded and enchanting setting. We're located close to the airports - Arvidsjaur, Lulea, Skelleftea - to make your journey convenient. Sheltered from prevailing winds by natural terrain, the lake provides ideal conditions while delivering stunning surroundings.

The driving center features over 8 km of tracks, including a large training area with interconnected circles, and four circuits of increasing difficulty and speed. With more than 15 configurations available and a 7 km super special, the driving experience promises a thrilling blend of challenges and adrenaline.
